

Total of 17 acres. Arkansas River to the south, new Gilcrease Expressway to the east, Terwilliger Park to the NE, 61st W. Ave along the west border. Total of 63 homes, built as tri-plexes, in teams of 9, with possible expansion to the north with 14 more tiny homes.

Main entrance at 1200 S. 61st W. Ave, 3 blocks south of Charles Page Blvd. Community will be fenced and securely gated at Community Center, with pedestrian only path after entering gate.

Front porches and plenty of green space, with sidewalks and walking paths to promote getting outside and developing good relationships. Each tri-plex will have their own raised bed garden for residents to grow food.

Our Community Center is the hub of Eden Village, where residents, staff, and volunteers can gather. Will have a large meeting/dining room, commercial kitchen, laundry, counseling and medical rooms, library, computer room, and offices.

The back 5 acres or so will be a small farm, with a barn, greenhouses, row crops, blackberries, cut flowers, and chickens.
